KEYS TO SUCCESS

IF I...

MY CHILD WILL...

Week 1
Welcome & Introduction

Prepare to be my child's first teacher and participate fully...

...learn best from engaging in interactive home routines

Week 2
Everyday Interactions

Leverage materials to set up communication opportunities...

...increase rate of initiation

Week 3
Songs & Rhymes

Engage my child in enjoyable experiences involving music & movement...

...learn new words in a fun way

Week 4
Language Facilitation

Use equal communication turns and fewer questions...

...lead exchanges more often

Week 5
Gestures, Signs & Visuals

Model how to communicate using my body...

...have access to a richer communication repertoire

Week 6
Language in Play

Target specific concepts, sounds, or words during play...

...find it more enjoyable to learn and practice difficult skills

Week 7
Expanding & Recasting

Acknowledge and build upon what my child does or says...

...enhance their vocabulary and syntax

Week 8
Everyday Interactions

Respond to my child's communication attempts...

...increase their participation in early 'conversations'

Week 9
Pre-Literacy Skills

Make reading and storytime relatable to my child...

...enjoy reading and develop foundational literacy skills

Week 10
Becoming Bilingual

Know how to support my dual language learner...

...have the best possible outcome as a bilingual student

Week 11
Pre-Academic Concepts

Introduce age-appropriate scholastic ideas...

...develop the foundational skills to excel in school

Week 12
Putting It All Together

Reflect on all that I've learned and commit to using the strategies daily...

...grow into a strong, skilled communicator using two or more languages seamlessly
